

PROGRAM 1 – ALASKA PUBLIC BROADCASTING COMMISSION GRANTS DEPARTMENT OF ADMINISTRATION

I. PROGRAM OBJECTIVES

The primary objective of the Alaska Public Broadcasting Commission's Operating and Capital Grants Program is the encouragement and support of non-commercial public broadcasting in Alaska. This objective is accomplished through the award of operating and capital grants in support of the delivery of noncommercial programs intended for a general audience by locally controlled non-profit broadcast stations or telecommunications entities.

II. PROGRAM PROCEDURES

The staff of the Commission prepares application forms for both capital and operating grants to be distributed to stations on an annual basis. The staff then evaluates station applications for establishing eligibility and makes funding recommendations for Commission action. The grants are awarded by the Commission and allocated to grantees using a funding formula. Staff monitors expenditures of all grantees to assure that funds are used as agreed.

On behalf of the stations, staff presents annual funding requests to the Commission for approval before submitting to the DOA during each fiscal year budget cycle.
